Love makes a house a HOME

Gala Details

Welcome to the 2021 Welcome Home **VIRTUAL** Gala! We invite you to enjoy an experience highlighting our work to end family homelessness throughout Maricopa County. We have some exciting things in store for the evening – **raffle, silent & live auction and giveaways** – all while raising money for Save the Family programs and services. The Gala will feature **Many Voices** – a personal look at the then/now of those we served and an opportunity to further your support of Save the Family. Our silent auction promises to be an exciting affair, especially for those shopping with a special someone in mind. Chances to win include a live auction with Auctiontainer™ Letitia Frye and an on-air raffle. We have a variety of sponsorship opportunities available that include promotion/advertising benefits. Call or email us to learn more!

Now, more than ever, our community needs to come together to address the crisis at hand – a community where eviction filings are the highest in the nation and only 25 units of affordable housing are available for every 100 units needed. Join us on **Thursday, February 11, 2021 at 6:00 pm** to make a difference in the lives of many and see how Save the Family is rebuilding lives through the **LOVE** and attention given to its programs and families.

About Us

Save the Family is a leading provider of housing, case management and supportive services for homeless families and children, holding a mission to *equip families to address poverty, overcome homelessness and achieve self-sufficiency*. Together, we are working toward our vision of ensuring stable homes, safe children and strong families.

Each year we serve over 500 families through our programs, and due to the pandemic, expect to serve an increase of 25% more families this year. Our families are primarily comprised of single mothers (70%), women fleeing domestic violence (20%) and military veterans (13%). Many of our families are in crisis, struggling in this economy to find affordable housing, gainful and full-time employment and resources to help achieve self-sufficiency.

Since 1988, Save the Family has planted roots with community members, working alongside you to make transformational change in the lives of thousands of families and children. We couldn't achieve our success without your support and generosity over the years. Thank you for your commitment to our families' futures!
