Who we are

BUILDING FAMILY FOUNDATIONS

ACHIEVING SELF-SUFFICIENCY

Save the Family equips families to address poverty, overcome homelessness and achieve self-sufficiency. Together, we are working toward our vision of ensuring stable homes, safe children and strong families.

Each year we strive to serve more than **650 families** through our programs. Operating hundreds of housing units Valley-wide, we provide rapid rehousing, transitional housing and Step Up to Independence for impoverished and homeless families. Additionally, we offer programs that cover parenting, budgeting and career-building topics.

Nearly 60% of our clients are children. Save the Family creates stability for homeless children through consistent housing, stable schooling, after-school programs, tutoring and extracurricular activities.
