FOUNDATION OF ARIZONA

# MAKE LOCAL IMPACT

Save the Family's origins are rooted in the local business community when two local businesspeople founded the organization in 1988 after encountering families experiencing homelessness in Mesa. Since opening our doors, Save the Family has transformed the lives of thousands of families in need across our community. We invite you and your business to help restore **stable homes, safe children, and strong families** throughout Maricopa County by joining in our life-changing work.

## DONATION

A financial contribution allows Save the Family to allocate resources where families need them most

## IN-KIND GOODS DRIVE

Shelf-stable foods, gift cards, or household items are always needed
