About Us

Our mission is equipping families to address poverty, overcome homelessness, and achieve self-sufficiency.

We are immensely proud to commemorate our **35th year** as a beacon of hope and change in the community. Over the past three and a half decades, our nonprofit has worked tirelessly to provide stable, safe homes for local families. Our goal: to end family homelessness in Maricopa County.

Each year, we serve more than 1,000 families, ensuring they find a permanent, affordable home. Our comprehensive approach goes beyond housing, providing essential case management and supportive services tailored to each family's needs.

Breaking the cycle of poverty for our families is difficult, but with the support of our community and our hardworking staff, the impact made is immeasurable.

Join us for our Welcome Home Gala, and celebrate our 35 years of success, which helped to build stable homes, safe children, and strong families.
